#### ABOUT SAVE THE U.S. EPA

[Save the U.S. EPA](#) is a national campaign being conducted by AFGE Council 238 and the American Federation of Government Employees (AFGE) in an effort to stop EPA Administrator Pruitt from putting the interests of the coal and fossil fuel industries above those of the American public; abusing taxpayer dollars; drastically cutting or eliminating jobs and programs that are vital to the health and safety of America's air, water, land and endangered species; and undermining science and public health.

#### ABOUT AFGE COUNCIL 238

[AFGE Council 238](#) represents more than 8,000 U.S. EPA employees nationwide, including environmental protection specialists, engineers, scientists and support staff nationwide through locals at EPA headquarters in Washington, DC, Research Triangle Park, ten regional offices, the National Health and Environmental Effects Research Laboratory in Corvallis and Newport, OR, National Vehicle and Fuel Emissions Laboratory in Ann Arbor MI, and the Robert S. Kerr Research Laboratory in Ada, OK.
